TOTAL COLOR

Sei finiture ceramiche coordinate ai laccati danno vita a volumi monocromatici, puliti e contemporanei.

La stessa tonalità avvolge lavabo e mobile, creando continuità visiva, per uno stile elegante e d'impatto. Il Total Color è disponibile sulle collezioni Kalipè, Nanco+, Lamina e Alluminium: dal bagno funzionale fino all'outdoor.

Six ceramic finishes coordinated with the lacquers create monochrome volumes that are clean and contemporary. The same shade envelops the washbasin and cabinet, creating visual continuity for an elegant and striking style.

Total Color is available for the Kalipè, Nanco+, Lamina, and Alluminium collections: from the functional bathroom to outdoor spaces.

Il cammino di Xilon il bagno funzionale® continua con Kalipè. Un nome che è già una promessa: passo dopo passo, Xilon rinnova il suo percorso, esplorando nuove strade per accompagnarvi nella vita di ogni giorno. Kalipè con le sue forme morbide trasforma l'ambiente in uno spazio armonioso, capace di unire bellezza e praticità.

The journey of Xilon the functional bathroom® continues with Kalipè. A name that is already a promise: step by step, Xilon renews its path, exploring new directions to accompany you in everyday life. Kalipè, with its soft shapes, transforms the environment into a harmonious space, capable of combining beauty and practicality.

Il cassettone estraibile nasconde uno spazio inaspettato e ben definito, che permette di riporre i vari oggetti in modo razionale. Una soluzione compatta, ma sorprendentemente generosa. A completare il mobile, il lavabo ovale in ceramica italiana, con il top sottile e un'ampia vasca profonda 18 cm: elegante, capiente, pronto a rispondere ai tanti gesti quotidiani che richiedono spazio e comodità. Kalipè non è soltanto un mobile, è una nuova tappa nel percorso di Xilon il bagno funzionale®, un ulteriore traguardo che segna un'evoluzione nell'arredo bagno di oggi. Mobile realizzato in multistrato di legno nelle pareti curve. Nobilitato nelle pareti interne nella finitura antracite.

The pull-out drawer hides an unexpected, well-defined space, allowing objects to be stored in a rational way. A compact solution, yet surprisingly generous. Completing the unit is the oval washbasin in Italian ceramic, with a thin top and a large 18 cm deep bowl: elegant, spacious, ready to meet the many daily gestures that require room and comfort. Kalipè is not just a piece of furniture; it is a new stage in the journey of Xilon the functional bathroom®, a further milestone that marks an evolution in today's bathroom design. Furniture made of plywood with curved walls. Melamine-faced interior walls in Antracite finish.

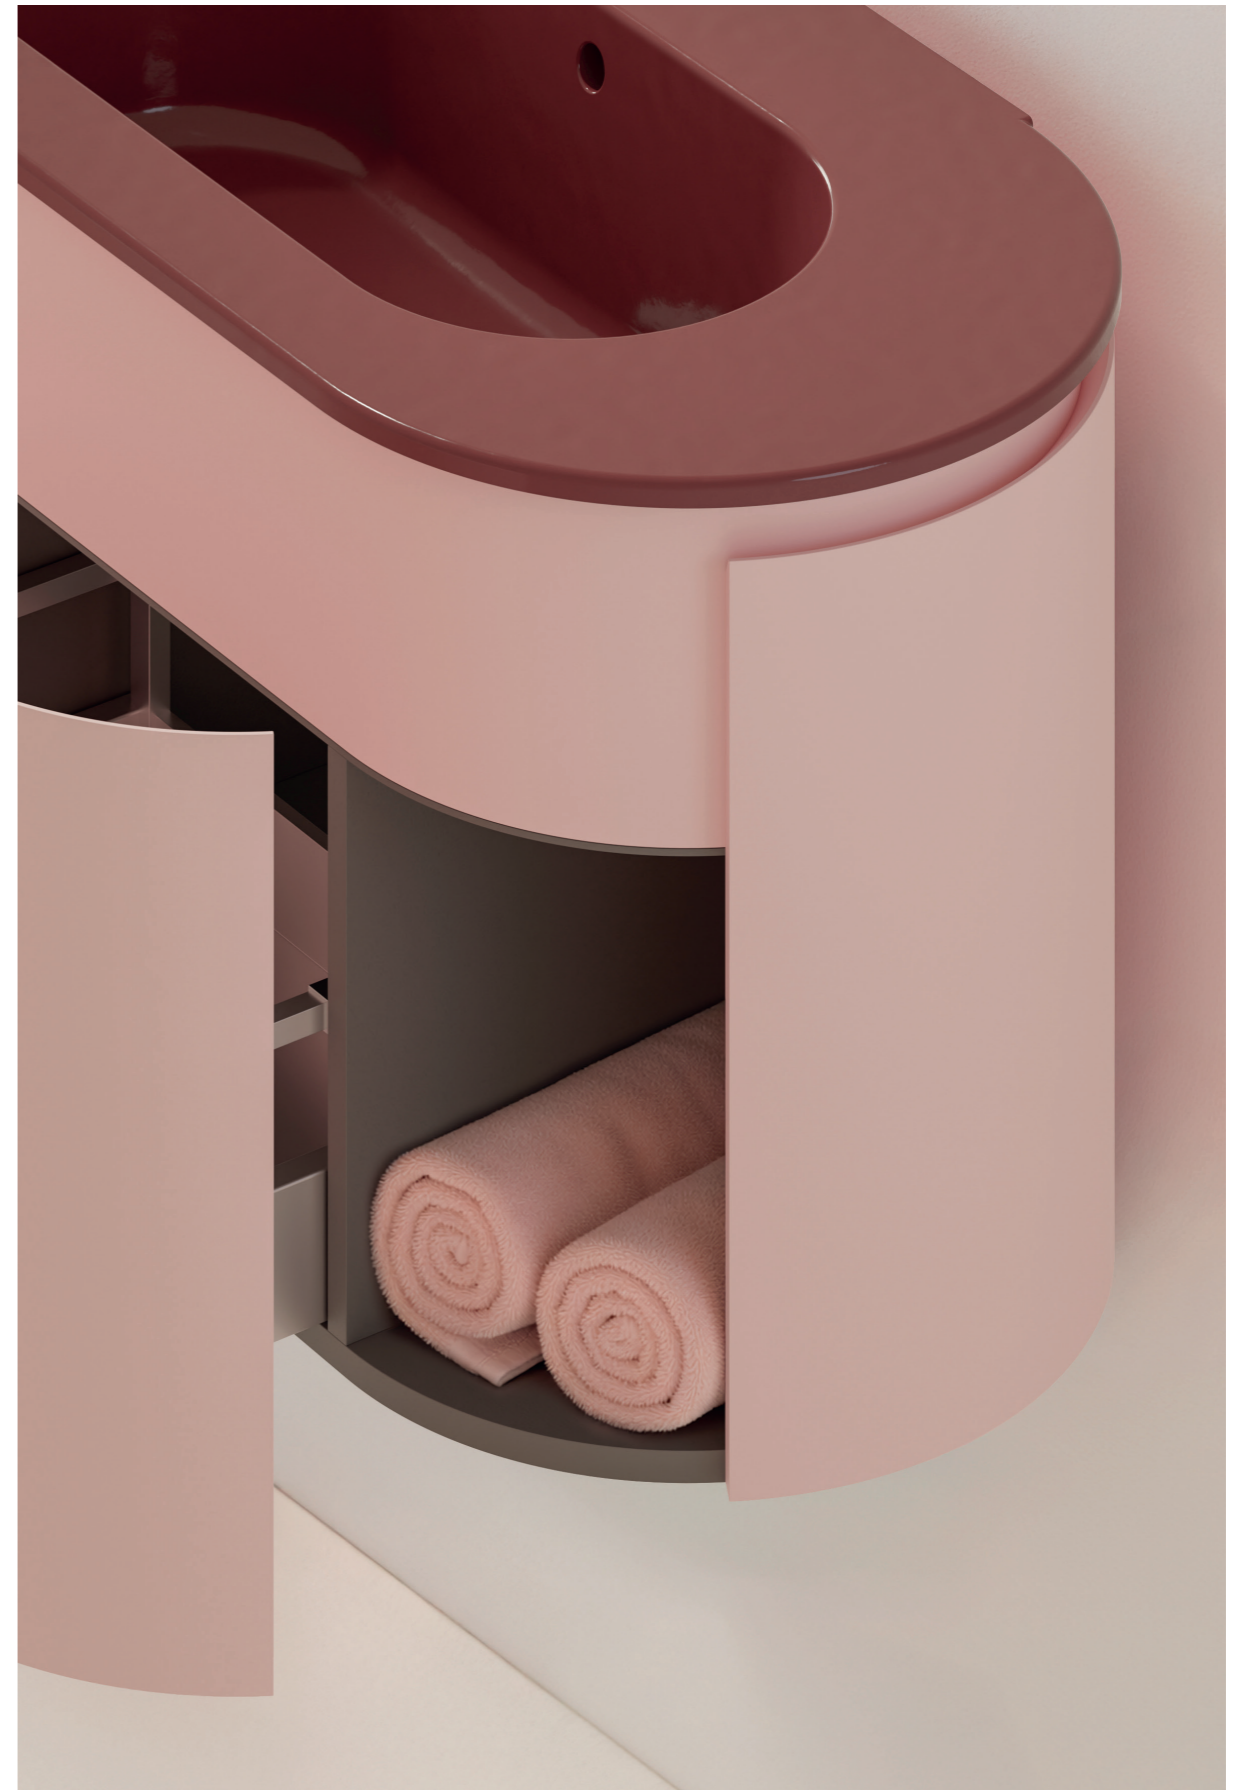

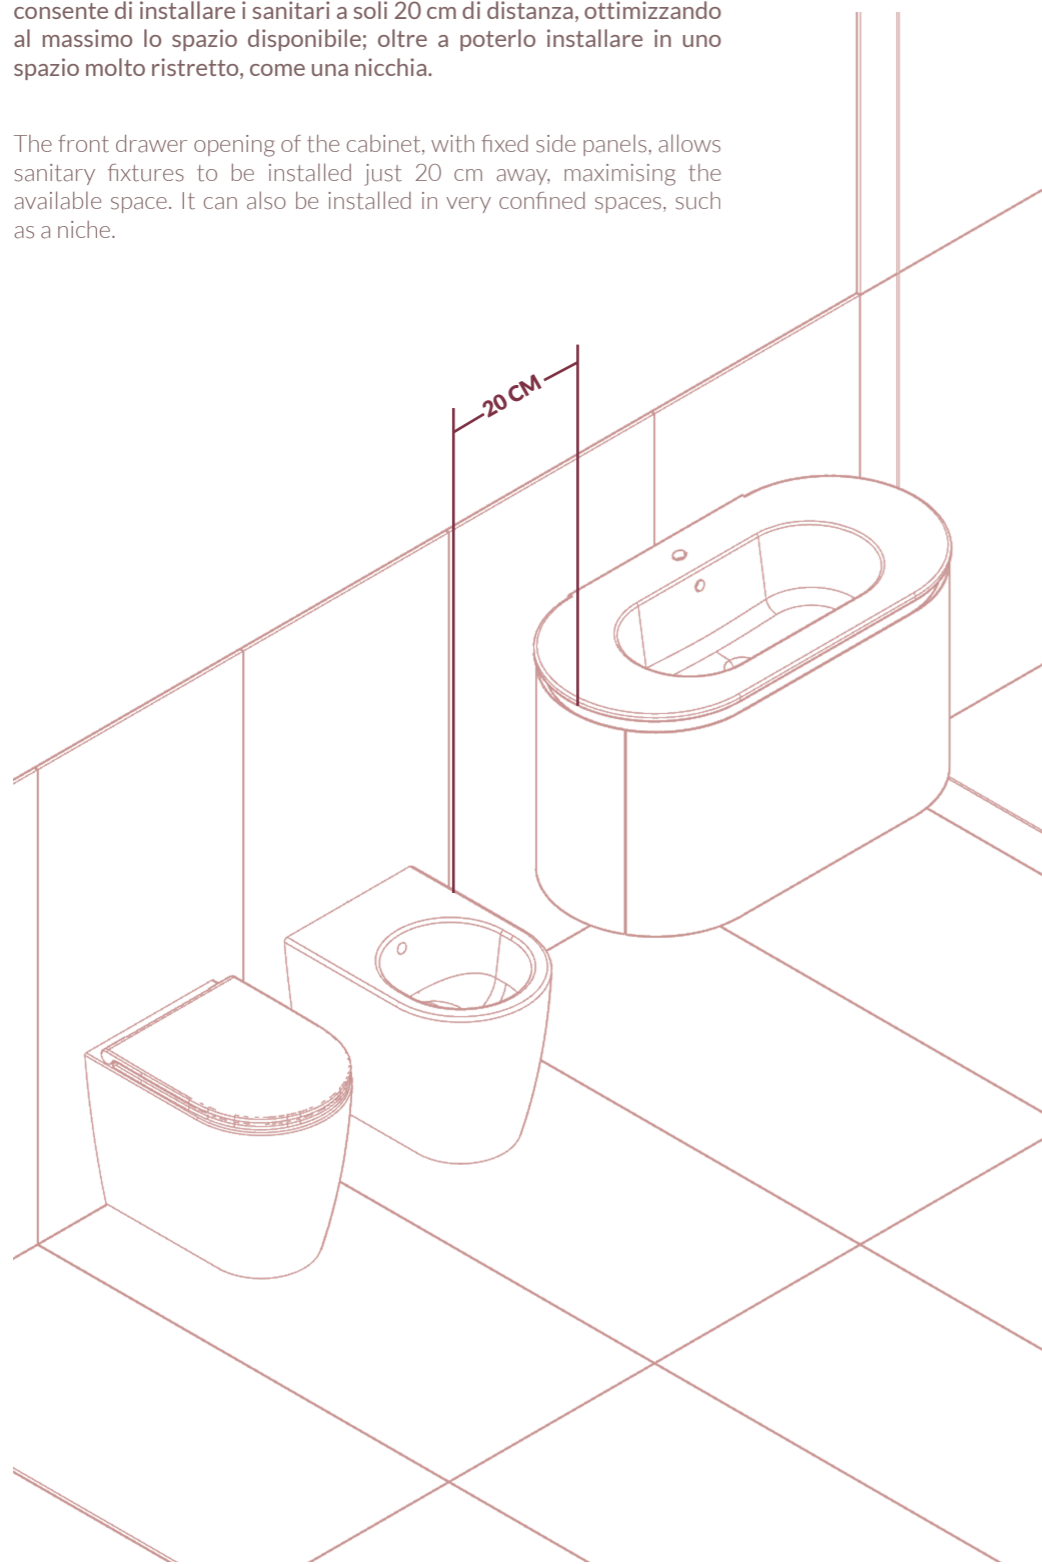

Mobile Kalipè da 101 cm, lavabo in ceramica Amaranto Lucido e mobile Rosa Himalaya opaco.

101-cm Kalipè vanity unit with a Glossy Amaranto ceramic washbasin and a matte Rosa Himalaya cabinet.

L'apertura con cassetto frontale del mobile, i fianchi laterali sono fissi, consente di installare i sanitari a soli 20 cm di distanza, ottimizzando al massimo lo spazio disponibile; oltre a poterlo installare in uno spazio molto ristretto, come una nicchia.

The front drawer opening of the cabinet, with fixed side panels, allows sanitary fixtures to be installed just 20 cm away, maximising the available space. It can also be installed in very confined spaces, such as a niche.

Il nome dice tutto. Un mobile monoblocco realizzato in lamiera d'alluminio spessa 3 mm. Superficie liscia, senza saldature e un design che non passa inosservato. L'anta intagliata al laser e il foro per la maniglia, richiamano alla mente ambienti nautici. Un mobile capiente, pronto ad accogliere tutti gli oggetti per la pulizia e il tempo libero. Offre una vasta libertà di abbinamenti perché è disponibile in tutti i colori laccati, con lavabi in ceramica italiana o in ocritech. Il design di Alluminium si adatta a diversi ambienti, per arredi all'aperto alternativi e con personalità.

The name says it all. A monoblock cabinet made from 3 mm-thick aluminum sheet. A smooth, seamless surface and a design that never goes unnoticed. The laser-cut door and handle opening evoke nautical atmospheres. Spacious and practical, this cabinet is ready to hold all your cleaning essentials and leisure items. It offers extensive freedom of combination, as it's available in all lacquered colors and can be paired with Italian ceramic or Ocritch basins. Alluminium's design adapts effortlessly to different settings, perfect for outdoor spaces that need character and a distinctive touch.

ALLUMINIUM OUTDOOR

La leggerezza che diventa forza. Alla collezione Alluminium si aggiunge una nuova versione a terra, oltre alla sospesa, e si apre all'outdoor. La scocca in alluminio, le cerniere e la chiusura in acciaio inox garantiscono solidità e resistenza agli agenti atmosferici. Un design di facile inserimento in qualsiasi contesto, che offre una soluzione funzionale e durevole per vivere gli spazi esterni con funzionalità ed eleganza.

Lightness that becomes strength. The Aluminium collection now includes a new floor-standing version, in addition to the suspended version, and opens up to the outdoors. The aluminium shell, hinges and stainless steel closure guarantee solidity and resistance to atmospheric agents. A design that fits easily into any context, offering a functional and durable solution for enjoying outdoor spaces with functionality and elegance.

Lamina si presenta come un monoblocco a giorno, in cui tutto è a portata di mano. Il suo punto di forza è la versatilità: grazie al piano rimovibile in legno e ai contenitori laterali opzionali, è possibile personalizzarne la configurazione in base alle proprie necessità. Puoi scegliere di rimuovere il piano centrale per ampliare lo spazio disponibile o aggiungere i pratici contenitori laterali per organizzare al meglio attrezzi, prodotti per la pulizia o strumenti per il barbecue. Scegliere la configurazione preferita è un divertimento.

Lamina is an open monoblock unit, with everything within easy reach. Its strength is versatility: thanks to the removable wooden top and optional side containers, you can customize the layout to suit your needs. You can remove the central top to expand the available space or add the practical side containers to better organize tools, cleaning products, or barbecue accessories. Choosing your preferred configuration is fun.
